

in connection with the establishment of industrial estates in the State and formulating a scheme for the creation of industrial cell in the Small Scale Industries Corporation. The purpose was to finish the industrial estate before the end of the year before the second five-year plan was over. Secondly the post in the Revenue Department was created because the Government of India agreed to give us a very big sum for sinking wells. That work was to be done within a short time before the end of the financial year. That was why that post was created.

Sri J. VENKATAPPA.—The other part of my question has not been answered. Who are the officers now working in those posts?

Sri B. D. JATTI.—Since the period is over, it is not necessary to put anybody in-charge of the posts.

Mr. SPEAKER.—Question time is over.
